FOREWORD BY PARAVOLLEY EUROPE PRESIDENT BRANKO MIHORKO

Dear Athletes, Members and Stakeholders of
ParaVolley Europe,

I want to express my sincere gratitude to everyone
who has played a vital role in our organisation's
success. Despite the challenges brought about by the
COVID-19 pandemic, ParaVolley Europe has

persevered in its mission to promote the sport and its disciplines throughout Europe with
innovative initiatives and programs.

Here are some key highlights:

In 2021, we successfully hosted the European Sitting Volleyball Championships in Kemer
(TUR), marking a significant milestone as the first major ParaVolley event in Europe since the
pandemic's onset. And here we are before the next European Championships.

Furthermore, we reinstated club competitions for both M & W, including the Euroleague and
Champions Cup, uniting some of the finest club volleyball teams from across Europe and
showcasing an exceptional level of competition.

Alongside these events, we also organised many rounds of Nations leagues as well as Beach
Paravolley standing and sitting tournaments. We extend our gratitude to all the people who
contributed to the success of these events and look forward to further initiatives to advance
Paravolley in the years ahead.

The upcoming event's success is indebted to the meticulous planning and groundwork of the
Italian Volleyball Federation (FIPAV). I extend my warmest wishes for a safe journey to
Caorle for all teams, ITO's, and esteemed guests. I am optimistic that this event will leave a
lasting impression in our memories. I eagerly await to welcome you and engage in
discussions on the sport and the future of ParaVolley.

I look forward to our gathering in Caorle with great anticipation!

Thank you for your thoughtful consideration and unwavering support.

Warm regards,

Branko Mihorko

FOREWORD BY ITALIAN VOLLEYBALL FEDERATION PRESIDENT GIUSEPPE MANFREDI

With great pleasure I send my greetings and those of FIPAV which I have the honour of presiding over to the friends of ParaVolley Europe and to all the organisers of the 2023 European Sitting Volley Championships, scheduled in Caorle from 9 to 15 October.

I am sure that once again the Italian Volleyball Federation will be able to showcase all its organisational skills and give life to a great event that for the first time we will have the honour of hosting in our country.

In recent years, FIPAV has invested important resources in the discipline of Sitting Volleyball, both in the sector of national teams and at the level of territorial activity. With the organisation of the European Championships, we want to take a further step forward.

I am sure that a competition like the continental championship can be an effective promotional tool to raise awareness of a special and engaging discipline like sitting volleyball, in which in addition to the technical aspects there are intrinsic values such as equality and inclusiveness.

I would like to send a heartfelt thank you to all the people who have been working hard for months to set up a great event, in particular to the Municipality of Caorle which has decided to enthusiastically embrace this initiative.

Regards,

Giuseppe Manfredi

FOREWORD BY FIPAV VICE-PRESIDENT AND PRESIDENT OF LOCAL ORGANISING COMMITTEE ADRIANO BILATO

We are now there, and after intense months of work and preparation, we can't wait for the 2023 European Sitting Volleyball Championships to start.

Together with ParaVolley Europe and the Municipality of Caorle and the FIPAV Veneto Regional Committee we have set up a working group that collaborated as best as possible to organise an important and demanding event, such as the two continental events.

For FIPAV this is a new fascinating challenge, since after the European Volleyball Championships, we will also have the honour of hosting the European Sitting Volleyball Championships. Considering that this discipline was only recognised in Italy in 2013, I can say without a shadow of a doubt that giant strides have been made in just a few years. To prepare the 2023 edition of EuroSittingVolley in the best way possible, we made use of the important organisational skills of the Federation, but at the same time we had enormous help from the territory, guaranteeing the best quality standards to all parties involved.

Our hope is that the athletes, managers, officials, referees and all the professionals can experience beautiful days dedicated to sitting volleyball and the wonderful atmosphere that this discipline is capable of creating.

A heartfelt thanks to ParaVolley Europe and the Municipality of Caorle who believed as much as we did in this project, working together for an event that represents another historic step for the Italian sitting volleyball movement.

Regards.

Adriano Bilato
